

## From Principal's Desk

On behalf of Clark Theological College, I thank all the CTC friends and well-wishers for supporting the life and ministry of the college for the last many years through your generous contributions and prayers. Let us all give thanks to our almighty God for His immeasurable blessings and grace granted unto us for each passing day for His glory. CTC was started with “a faith venture trusting in God” with much prayer and hard labor basing on the ‘Vision and Mission’ of the College. During the last 51 years of its existence, the Lord has been blessing the college in its all-round development programs in theological education for the extension of His Kingdom, producing more than 2,250 graduates for His vineyard, for which we thank the Lord.

The word of God says in Ephesians 3:20, “Now to him who by the power at work within us is able to accomplish abundantly far more than all we ask or imagine.” We are God’s instruments in His hand and if we put our faith in Him in all our doings, His grace and power will be always available enabling us to accomplish great things far more than we ask and think. Your talent and resources may be small but will be blessed with abundance when they are dedicated to the Lord in fulfilling His ministry. Your hard labor in all your endeavors for His ministry will be significant, and your generosity for the extension of His kingdom will bring glory and honor to God the Father in heaven. May we all continue to be faithful in serving in the vineyard of the Lord together. May God bless us all.

**Mathura, West Bengal**

Our team embarked on a journey to Mathura where we engaged in various ministries. We encountered numerous challenges from the onset of our trip to the conclusion of our ministry. Despite these obstacles, we gleaned valuable lessons on preparedness, maintaining composure in challenging situations, relying on prayers and faith, as well as the power of unity, understanding, and collaboration. This experience underscored the importance of coming together as one entity, equipped with prayer, faith, and a shared sense of purpose, enabling us to overcome any obstacle that came our way.

In a ministry, everybody has a place and a role to play. While we may seem that we lack the capacity to do much, yet we can still be sure that we are contributing something to God's mission by involving in different ministerial aspects, experiencing on how God can use us in different ways to serve the people and how we should be more prepared physically and spiritually to be more effective in ministry.

Holistic ministry paved a way for me to experience so many things beyond my expectations, it helped me to discover myself and grow. Some few lessons I have learnt are not to miss our morning quiet time with the Lord, keep sharing our testimonies as it will impact atleast one person, learning their basic language also builds up rapport with them.
